PROTECTED DISCLOSURES ANNUAL REPORT 2018

26 June 2019

Annual Report of the Health and Social Care Professionals Council (CORU) under the Protected Disclosures Act, 2014

Under Section 22 of the Protected Disclosures Act 2014, CORU is obliged to prepare and publish, no later than 30 June in each year, a report detailing the number of protected disclosures made during the preceding year and the action (if any) taken in response to those protected disclosures.

Three enforcement referrals received by CORU during 2018 were treated as protected disclosures within the meaning of the Protected Disclosures Act 2014. In two cases, an investigation took place in accordance with Council's Enforcement Process and in the other case there was insufficient information to progress the matter.

Information relating to three Fitness to Practise cases received by CORU during 2018 were treated as protected disclosures. A Fitness to Practise file was opened for each case and the matters investigated. However, at the time of writing this report all three files were closed.
